KITCHEN FURNITURE

Dear Customer,

Based on the government's mandate today that all non-essential businesses must close with regards to the increasing urgency for us all to help prevent the spread of Covid-19, I regrettably must confirm that Bryan Turner Kitchen Furniture is now temporarily closed, ceasing all production and face to face visits.

This measure is beyond any business owner's control and is sent with my deepest apology. However, we are being advised as a nation that the sooner we start preventing further spread of the Coronavirus, the sooner we will recover and be able to resume day to day business activity.

The inconvenience this causes for other businesses and customers in the UK is at an unprecedented level – I ask kindly for your patience and support for these measures, which will protect both you, and our company employees – as well as the wider public - from risk of exposure to Covid-19.

Our core operations will be suspended until further notice.

I appreciate this is a time of great uncertainty and I must reassure you that all of us at Bryan Turner Kitchen Furniture very much look forward to notifying you as soon as we are able to re-open our doors.

If you have any urgent concerns or questions, please email me at **bryan@bryanturnerkitchens.com**. I will do my very best to answer any questions you have.

Thank you for your kind understanding in these circumstances.

Please – be home, be safe, and be well.

Sincerely,

Bryan Turner
